

YOU DON'T HAVE THE RESOURCES
TO WASTE YOUR ENERGY ON IDEAS THAT SIMPLY
WILL NOT WORK FOR YOUR HOSPITAL.

BRIGHT IDEAS

SIMPLE STRATEGIES

SOUND SOLUTIONS

Two industry thought-leaders have come together to provide hospital trustees and leaders facing big challenges with ideas, strategies and solutions that are right-sized and exclusively designed with rural in mind.

Impact! Communications, Inc. and **Connected Healthcare Solutions, LLC**, invite you to plug into their collective 45 years of experience helping rural hospitals get out of survival mode and turn on the switch to sustainable success.

Out of the box thinking shouldn't be abstract. Our combined strategic planning, governance insight, leadership, team and community engagement development processes are as creative as they are concrete.

Running a hospital takes a lot of power. Together, we're working to help you conserve your energy.

Ask us about our unique onsite facilitated **Smart Thinking™** workshops, action planning retreats and *Courageous Community Conversations™* sessions.
